BAY ST. LOUIS, MISS., FRIDAY, APRIL 4, 1947

VOL. 56 — No. 14

Observations... From Around Town

(BY JAY WHOZIT)

Today is Good Friday, observed by all denominations of the Christian world in commemoration of the world's greatest tragedy, the Crucifixion of Christ. . . following Good Friday we celebrate Easter Sunday, considered the greatest feast of the ecclesiastical year, because it commemorates the resurrection of Christ from the dead. . . this week end will bring the usual influx of visitors from New Orleans and other parts of Louisiana to Bay St. Louis as well as other sections of the Coast. . . this has become an annual affair and heralds the beginning of the "summer" season on our shores. . . noted in the column, "Lagniappe," in the New Orleans Item of Monday evening, George L. Seuzeneau, Jr., until recently with the War Assets Administration, opens his own employment agency office today, "good luck, George. Congratulations to Charlie Kergosien and the missus, who became the proud parents of twin boys at the Baptist Hospital in Jackson, on March 28th, this makes three boys now. . . Hancock County has not yet met its quota for '47 Red Cross Fund Drive. . . how about it, folks? Let's not mar our perfect record at this late stage of the game, dig into your jeans and get out some of that folding money, you can't help our boys who are still overseas, by keeping it in your pockets. . . did you know that 14% of all the timber in the South is destroyed annually, principally by fire, much of this could be saved if sportsmen, hunters and fishermen, among others were just a little more careful. . . the Memphis Baseball team and their manager, Doc Prothro, left here on Tuesday headed for Memphis. . . members of the team and their coach, Buster Chatham, said they had never seen a better training site, and left hoping they would return next year. . . Spare ration stamp 11, good for 10 pounds of sugar, became valid on April 1st. . . on next Wednesday night, Orthe Theater will present Tex Ritter, film cowboy favorite, on their stage in person, don't miss him, kids. . . President Harry Truman will not visit the state of Mississippi in May, as planned to deliver an address at Cleveland, before the Cotton Council. . . hats off to Dr. Shipp for his part in bringing here the mobile X-ray unit of the State Board of Health to take X-ray pictures of all factory workers and all teachers in Bay St. Louis, this should be done quite often. . . of course, rains such as those of the past week are unusual, but they showed more than ever the need of a proper drainage system in our town. . . the clean-up campaign which started with such a rush a couple weeks ago, has slowed down to a crawl, ho about it folks, let's get moving. . . from the grapevine route we learn that Bay St. Louis before very long will have a new bus station on Ulman Avenue. . . Ross Barnett has announced that he will not be a candidate for Governor. . . The only candidate yet in the field against Governor Fielding L. Wright is Paul B. Johnson Jr. . . Our suggestion to this splendid young man is that he wait a while. . . The time is not opportune. . . Step down Paul and let's make it unanimous for Fielding.

Easter Sunrise Service Announced by Pastor

Rev. John T. Dearing, pastor of the First Baptist Church, announces the Easter Sunrise service for Sunday, April 6th.

ALTAR SOCIETY NEWS

The last meeting held Wednesday, March 26th, was poorly attended, but we have hopes and promises of a very good one this month. Rt. Rev. Msgr. Gmelch was present and spoke of the new organ which has been ordered, and for which we have been working. He also said that the new marble altars will be shipped from Italy during the month of May. They will be the finest marble and will include statues of the Blessed Mother, St. Joseph and the Angels, and also the Communion rail.

Painters and artists have been contacted, and it is expected that the work of decorating the Church will begin immediately after Easter.

We know everyone is anxious to see our beautiful church finished, as it has been in its present state for many years. It is hoped that enthusiasm will run high, and move the members to make individual gifts, such as candlesticks, linens, and scores of other articles which are needed, and which anyone who can should be proud to give. Anyone wishing to make a private or personal donation of some needed article, may call upon Msgr. Gmelch at the Rectory, or Sister Antoinette at the convent, and either will be glad to give full details of what is needed and the cost of same.

"Angel Street" Presented By Little Theater

(By Frank Clarke)

The Bay St. Louis Little Theater has embarked upon its second year with the presentation last week of the thriller-drama "Angel Street." The playhouse was packed three successive nights, so much so that success must be found to increase seating capacity or number of performances in the future. This speaks volumes for the progress which our theater project has made in a brief year.

The star performance by Mrs. Rene de Montluzin, Jr., as Bella Manningham would have delighted the author himself, as it was a truly sensitive interpretation of the role. Co-starred with her was Lt. J. N. Horrocks, USN, in the difficult role of Mr. Manningham and Mr. John Barnett Wilson as the affable Detective Rough. . . who saved the situation. Supporting roles were played with real finesse by Mrs. J. N. Horrocks as Nancy and Mrs. A. O. Drescher as Elizabeth, while Mr. Philip Allison as the policeman provided the play's surprise toward the end. Much credit is due to those six actors for their really fine performances, and even more to their excellent director, Mrs. Adaline Knoblock.

It is difficult to give credit to each one who has contributed time and talent to the work of the theater, particularly the kind of work which is not seen by the audience. Nonetheless, a great deal of such work must be done and is reflected indirectly in the finished product. In this instance the stage setting was effected by Mr. Roland Taillac and Mr. and Mrs. Alvin Weinfurter, the properties were assembled by Mr. and Mrs. John Bell, the costumes were ordered from Philadelphia and New Orleans by Mrs. J. N. Horrocks and Mrs. John Bell, the make-up and hair styles were in charge of Mrs. Eldridge Bourgeois, the sound effects were done by Mr. Erle Kirkpatrick, and the lighting and stage management were done by Mr. Alvin Weinfurter and Miss Cynthia Richardson.

day at 6 a. m. on the beach in front of Breath's Lane if the weather is fair. If the weather is inclement this service will be held in the church. The subject will be "He is not Here."

ATTEND MEETING OF CANCER CONTROL AT GULFPORT

Mrs. W. L. Bourgeois, county chairman Cancer Control campaign for funds, Captain and Mrs. H. J. Thompson, Mrs. W. S. Wittesberger, Mrs. Theo Pudury, Bay St. Louis, Mrs. Lamar Otis, Mrs. Dave Weston, Mrs. Gladys Chapman, Logtown, attended the district meeting of Cancer Control held at Gulfport on Wednesday.

Mrs. Elizabeth Wates, state commander, called the meeting which was attended by representatives of Harrison and Jackson counties as well as Hancock. Other notable people who are engaged in the cancer control work and who participated in the program were Dr. A. Street, St. Mary's Hospital, Vicksburg, the only hospital in the state with a cancer diagnosis clinic; Dr. Doyle, regional representative of the United States Public Health Service; Dr. Andrew Hedweg, Public Health officer for Harrison county; and acting officer for Jackson county; Miss Kathy B. Smith, director Health Education for the Mississippi Board of Health.

A lay meeting was held later in the Markham Hotel Gold Room with Public Health officers, nurses, educators, officers of Cancer units and other interested people.

Mrs. R. I. Bradford, chairman, Harrison County unit presided. Two women physicians were present, Dr. Emma Gay, foremost coast worker for Cancer Control and Dr. Barbara Hutt, Vicksburg, and both had something to contribute to the meeting. Dr. Street was the main speaker and had much to offer in the way of information concerning the control and cure of cancer but most important was that people need not die with cancer.

Mrs. Wates reported on the accomplishments in the work in 1946 and the goals for 1947. Miss Smith stressed the need for education in the schools to make every one cancer conscious.

Mrs. W. L. Bourgeois, county chairman Cancer Control, announced that the drive for funds opened April 1 and that the county quota is \$800.00. Mrs. Bourgeois will announce her committees later and has plans for making the work less strenuous and more effective. Let us all rally to the cause and help collect this during the month of April. This once considered 100 per cent fatal disease is being controlled and Bay St. Louis and the outlying communities want a part in this important contribution to HUMANITY. April is designated by the United States Government as Cancer Control month; the state quota is \$100,000; there is a bill before Congress for \$7,000,000 for cancer control. Do we want a part in this? Can we and will we give \$800 as our small part? We believe we do and will.

Gulf Coast Auxiliary Of Episcopal Church to Hold District Meeting In Gulfport

At the April meeting of the Christ Church Episcopal Guild held on Tuesday afternoon at the home of Mrs. N. L. Carter, it was announced that the Gulf Coast Auxiliary of the Episcopal church will hold its district meeting in St. Peters by the Sea in Gulfport, on Monday, April 14. Several members of Christ Church Guild are preparing to attend.

The major part of Tuesday's meeting was devoted to committee report. The Thanks Offering which is the semi-annual contents of the Mite Boxes amounted to \$150. Mrs. A. O. Drescher gave a brief resume of the study of India which embraced the six Lenten services.

RED CROSS FUND LACKS \$800 OF GOAL

Well it has happened, March 31 passed into the things that were and the Red Cross Campaign for Funds lacks \$800 of its goal. We hope that this unsatisfactory record can and will be erased. Just such a little amount to be hanging over. Digest we hope you have, or will, read "The Red Cross is Ready" in Peace time Too, by Leverett Soltonstall.

May we quote? "On a Saturday night in November 1942, a thousand merry-makers crowded Boston's largest night club. All at once the walls about them glowed hot, a circle of flame whirled above their heads, and their nostrils were filled with an acrid stench. The Coconut Grove was ablaze. Some of the tables collapsed before they could push back their chairs. Others rushed for one known exit, a revolving door. In a moment hundreds of bodies living and dead were heaped against it. A few guests got out through windows and other exits. But more than 700 dead or horribly hurt, remained."

"It was then that I saw how the Red Cross goes into action, working with the state and city agencies set up for disaster relief. In minutes 39 Red Cross ambulances were there. Red Cross nurses aides made beds, took temperatures, applied cold compresses." This is from a man who served the state of Massachusetts as governor for three terms and he shared the shock of the conflagration and the suffering, physical and mental of the people.

At another part of the story he says "Today the Red Cross is continuing to serve, veterans, service men in the United States, patients in Army or Navy, or veterans Administration hospitals, members of the occupational forces and their families. To carry out these responsibilities in 1947, the American Red Cross is asking for \$60,000,000. When you give to the Red Cross you give to the anguish wherever they may be. You are giving to your neighbor and yourself—and to all humanity besides."

Lord God of hosts, be with us yet, lest we forget lest we forget.

P. T. A. To Meet Tuesday, April 8

American Legion Planning Building Fund Campaign

After many months of serious thought and planning, the Clement R. Bontemps Post No. 139 of the American Legion unanimously adopted a resolution to build a much needed Legion Home and in this connection selected as their building site the vacant property adjacent to the V. F. W. home and directly opposite the Orthe Theater which measures 100 feet on the Beach. In addition, the City Hall will lease them the frontage on Washington Street for a period of 99 years which will be for further building facilities if warranted.

The plans will be drawn by a leading architect and will consist not only of club house facilities but also of a modern and up to date bathing pier designed to accommodate the members and their families together with our city's visitors and the general public.

The cost of the entire structure will approximate \$15,000 and the method of securing the funds will be through the medium of various entertainment programs, the first being on May 15th the opening day of the campaign which will be known as Legion Day and will be in the form of a vaudeville show together with a full length moving picture at the Orthe Theater, the matinee performance beginning at 2:00 p. m. and the night show at 7:00 p. m., the proceeds of both shows going to the building fund. The main feature of the vaudeville show will be the magic program which will be handled by W. J. Scrimshaw of Waveland as the talented magician.

In addition to the show there will be a number of very valuable prizes awarded as entrance prizes and any one purchasing tickets will have an opportunity of winning, whether they attend the show, however, the ticket stub must be dropped in the drawing box which will be located in the lobby of the theater prior to the 7:00 p. m. show.

In order to bring the building fund to a successful conclusion, the following committees were named:

Building Fund Committee:
Ed. Orthe, General Chairman
C. J. McDonner, Asst. General Chairman

Advertising And Publicity Committee:
Ted Reboul, Chairman
Andy Becker
Osmond Blaize

Finance Committee:
Gerald Price, Sr.—Chairman
W. B. Graham
Harry Holderith

Ways & Means Committee:
Laurent Dickson, Chairman
Warren Carver
Leroy Bontemps
Fred Fayard, Sr.
Millard E. Toulme

Planning and Building Committee:
Osmond Blaize, Chairman
Ed. I. Jones
Robert Camors
Dan Russell, Jr.
Henry Capdepon

The \$15,000 building fund might at this time seem like a pretty "Big Order" however, the enthusiasm and ability to raise this amount is uppermost in the minds of each and every member and they are determined to bring the campaign to a successful conclusion in the earliest possible time. When one stops to consider that other Legion Posts in smaller cities than ours have raised that amount and then some there isn't any doubt in the membership's mind that this goal can and must be secured.

Funeral Services For Green T. Brown, Held At Turtleskin Cemetery

On Tuesday evening, at 10 o'clock p. m. Mr. Green Thomas Brown, one of Hancock County's oldest and most outstanding citizens, died at his home in the Catahoula Community. The son of Thornton Brown and Mary Ann Whitfield, he was born in Hancock County 80 years ago.

62 years ago Mr. Brown married Miss Mary Keller, and she with the six children, Henry Wilson Brown of Wiggins, Miss.; Grover Cleveland of the campaign which will be known as Legion Day and will be in the form of a vaudeville show together with a full length moving picture at the Orthe Theater, the matinee performance beginning at 2:00 p. m. and the night show at 7:00 p. m., the proceeds of both shows going to the building fund. The main feature of the vaudeville show will be the magic program which will be handled by W. J. Scrimshaw of Waveland as the talented magician.

He had been a member of the Corinth Baptist church for over fifty years.

Hancock County has lost a very useful citizen, and we join with his many friends in extending our deepest sympathy to the members of his family.

Easter Cantata Presented At Merchant Marine Base

The Bay St. Louis Methodist church choir presented their Easter Cantata, "The Risen Saviour," at the Merchant Marine Cadet School at Henderson Point, on the morning of Sunday, March 30th. It was chaplain Arthur's last service at the school. He and Mrs. Arthur left shortly afterwards to drive to Boston, where they will make their home. They will both be keenly missed by their many friends at Bay St. Louis and the base.

After the morning service Mrs. Arthur and the Cadet choir served coffee and hot buns to the visiting choir.

member and they are determined to bring the campaign to a successful conclusion in the earliest possible time. When one stops to consider that other Legion Posts in smaller cities than ours have raised that amount and then some there isn't any doubt in the membership's mind that this goal can and must be secured.

...Proclamation...

GOOD FRIDAY

Realizing the solemnity of the Memorable Day of Good Friday and that the Christian world bows in sorrow and sympathy, commemorating the World's Greatest Tragedy, and

That it is but meet and proper that our people, too, set aside their every day activities as far as possible and practicable with their every day life and pursuit, to do honor and to further glorify the Resurrection of One who was sacrificed and suffered the expiation of sins of Mankind.

That in order to pay tribute to the Holy Redeemer, I, as Mayor of the City of Bay St. Louis, do hereby proclaim Good Friday, April 4th, 1947, as a DAY OF HOLY AND GENERAL OBSERVANCE; that our acts and attitude be such as to do reverence to the day.

AND, AS A FURTHER attestation of our feeling of respect and sorrow, and as an outward mark, I would respectfully ask that every place of business in the City of Bay St. Louis close their doors and cease business from the hours of 9 a. m. to 3 o'clock that afternoon, during the hours of agony Our Lord suffered on the cross, and during which time religious services are held at the Catholic Church.

Done this 31st day of March, 1947, at the City Hall, Bay St. Louis, Miss.

G. Y. BLAIZE Mayor.

Missionary Guest Here

Miss Hannah Plowdon, a Missionary from Hawaii, was the guest here on Sunday and Monday of Dr. and Mrs. Thomas Bagton Sellers.

Miss Plowdon, a South Carolinian by birth, was head of the English Department in the University of Shanghai, China for a number of years. Because of the war it was necessary for her to return to the States and she was in New Orleans for two years. She was trying to get back to China, when the Foreign Missionary Board of the Southern Baptist Convention sent her to Hawaii. It so happened that the particular small community on one of the remote islands was where she was assigned and there she established a mission. How she was able to lay a foundation for the Americanization and conversion of these remote people of various races will some day make history but she did it.

Miss Plowdon was enroute to Jackson to attend the state convention of the Women's Missionary Union and from there to fill a speaking engagement in Biloxi. Some time later she will be returned to her work in Hawaii.

THERE IS NO EXCUSE FOR A TELEPHONE STRIKE AND WE ARE TRYING HARD TO AVOID ONE

NEGOTIATIONS WITH THE UNION HAVE BEEN GOING ON SINCE FEBRUARY 17. THEY ARE STILL PROCEEDING AND YOUR TELEPHONE COMPANY HAS HOPES THAT AN AGREEMENT CAN BE REACHED THAT WILL BE FAIR TO EVERYBODY

The Southern Bell Telephone Company believes that its employees should be well paid, and their wages should compare favorably with those paid by other concerns in the community for work requiring skill and equivalent training... To make sure that this policy is carried out, we are constantly comparing our wages with other wages.

In the present negotiations with the Union, we have offered a renewal of our present liberal contract, but the Union insists upon unreasonably large wage increases.

WAGE RATE INCREASES IN 1945 AND 1946 AMOUNTED TO APPROXIMATELY 26 MILLION DOLLARS

Telephone employees' wage rates are now the highest in history... They have been increased 75% since January, 1941. The largest increases have been in recent years, and only last year and in 1945, wage increases granted added approximately 26 million dollars to the annual pay of our employees.

These are increases in wage rates and are in addition to millions of dollars in regularly scheduled raises given our employees.

This is an important point to remember in any discussion of telephone wages.

These regular raises have been an advantage to telephone employees for many years.

Under our present contract, thousands of our employees receive wage increases as often as every three months. Other thousands receive increases every six months or every year.

HERE ARE SOME TYPICAL RATES OF PAY

A five-day, 40-hour week is the basic work period... Non-supervisory employees, such as operators, linemen, installers and repairmen receive overtime pay for work beyond eight hours a day, 40-hours a week, and also receive premium pay for Sunday, holiday, and evening and night work.

The following table shows some of the present wages paid, according to the size of the telephone exchange:

LARGE EXCHANGE

	Starting Rate	Top Rate
Operator	\$27	to \$39
		Per Week
Installer-Repairman	\$28	to \$62
		Per Week
Stenographer	\$125	to \$190
		Per Month

MEDIUM EXCHANGES

	Starting Rate	Top Rate
Operator	\$25	to \$35
		Per Week
Installer-Repairman	\$27	to \$58
		Per Week
Stenographer	\$120	to \$180
		Per Month

SMALL EXCHANGES

	Starting Rate	Top Rate
Operator	\$22	to \$31
		Per Week
Installer-Repairman	\$27	to \$56
		Per Week
Stenographer	Not Usually Needed	

(These rates do not include premium pay mentioned above)

We believe most people would agree that these are good wages. There are, in addition to good wages, many other advantages in working for the Telephone Company, including pensions (with full cost paid by the Company), sickness and death benefits, attractive working conditions, holidays with pay, and vacations with pay for one, two or three weeks, depending on length of service.

UNION DEMANDS TOTAL \$69,000,000 A YEAR.

THIS IS EQUAL TO AN INCREASE OF

\$3.30 A MONTH IN THE AVERAGE TELEPHONE BILL

The demands of the Union on wages and other matters would increase the cost of providing telephone service by about \$69,000,000 a year. This comes to 70% of the Company's wage payments in 1946. It is more than 6 times our net income in 1946. It would make our payroll alone over 2 million dollars more than the total of all the money we took in last year.

In terms of the average telephone bill, it amounts to about \$3.30 per month for every one of a little more than 1,731,000 telephone subscribers, and it is the telephone user, after all, who pays us the money that we pay out in wages. Wages that are too low are not fair to the employees—who do the work. Wages that are too high are not fair to the public—who buy the service.

FURTHER INCREASES IN WAGES WOULD NECESSITATE ADDITIONAL INCREASES IN OUR RATES

We earnestly desire to go as far as possible in meeting the wishes of our employees and the Union. But their demands must be practical and realistic. The earnings of the Company are such that we are now appearing before the Public Service Commissions throughout the Southeast asking for increases in rates to help meet the costs of wage increases granted last year. Should present negotiations result in large wage increases, we must immediately seek additional telephone rate increases to meet the increase in expenses. It is with this in mind that we are proceeding in our present negotiations with the Union.

AN OBLIGATION TO THE PUBLIC WELFARE

The Telephone Company is asking Union leadership to recognize the obligation of all of us to you—the public. We are pointing out to the Union in our meetings that only by rendering a constantly improved service in the most efficient manner possible can the employees, the Union, and the management continue to deserve your good will. We must not disregard the welfare of the public, either in our charge for service or the quality and continuity of the service we render.

In view of the facts presented here, there does not seem to be justification for a complete revision of our working practices as requested by the Union, nor for such large wage demands. Consequently, we have offered the Union a year's renewal of the present liberal contract, but with the right to reopen the matter of wages at a time when changes in conditions may justify. We sincerely hope the Union will accept this offer.

We want to keep our employees happy about their wages and their jobs. We want to keep you pleased with your telephone rates and service. And, we want to keep our investors satisfied about the money they have put in the telephone business. For it takes all three—telephone user, worker and investor—to keep this business going.

A TELEPHONE STRIKE WOULD BE SUCH A SERIOUS THING FOR YOU, FOR THE TELEPHONE EMPLOYEES, AND FOR THE TELEPHONE COMPANY THAT EVERYTHING POSSIBLE IS BEING DONE TO PREVENT IT. THERE IS NO EXCUSE FOR A TELEPHONE STRIKE!

HANCOCK COUNTY PMA OFFICE NEWS

Hancock County farmers who are carrying out the winter cover crop practice under the Agricultural Conservation Program were reminded here this week by John S. Flora, Hancock County AAA Committee, of the importance of prompt reports to the County AAA office when the practice is completed. Farmers of the county will be turning under their winter legumes in late March and early April. When the cover crop is turned under the practice is complete and report of performance should be turned in promptly. How-

ever, Mr. Flora warned, only that acreage on which a satisfactory growth is obtained should be reported since payment under the conservation program is conditioned on successful completion of the practice.

Farmers should report completion of the practice by filling in and signing the lower half of the approval obtained from the county AAA office before the winter legumes were seeded. The report can be mailed or brought to the AAA office.

Growing and turning under winter legumes is the leading practice in Hancock County under the 1947 Agricultural Conservation Program.

Government assistance to Hancock County Farmers in carrying out this practice amounted to approximately \$2,500,000, with farmers putting up about \$1,500,000 to make a total cost of seed \$4,000,000.

Irish Potato Price Support Program Open

Under the 1947 Price Support Program for Irish Potatoes farmers on farms for which no 1947 goal was established will be eligible for support, if the acreage of potatoes on the farm does not exceed 2.9 acres, according to John S. Flora, Hancock County PMA Administrative Officer.

Farmers interested in this program are requested to notify the County AAA Office in writing not later than April 19th, stating that they

ORTIE THEATER
SUNDAY - MONDAY
"LADY IN THE LAKE"

With Robert Montgomery making his bow as a director and playing the starring role at the same time, "Lady in the Lake" comes to the Ortie screen this week as one of the most bizarre and spine-titling mystery dramas ever made in Hollywood.

The various personalities and circumstances of the plot, which is based on Raymond Chandler's widely-read novel, are in themselves packed with dramatic intrigue and suspense, but what gives "Lady in the Lake" its added punch is the ingenious use of the camera by which the audience is made to feel it is taking a direct part in the sleuthing instead of being merely a spectator.

Montgomery deserves top praise for his difficult role in which he is seen as the "audience participating" hero, and his supporting cast has been expertly chosen. Audrey Totter is the alluring and unpredictable Adrienne Fromsett; Lloyd Nolan is the ominous Lt. DeGarmo; Leon Ames plays the publisher; Jayne Meadows the woman of the aliases, and Dick Simmons the playboy.

They all contribute effective portrayals to one of the most gripping and unusual mystery dramas ever to reach the screen, "Lady in the Lake" will undoubtedly be one of the most talked-about pictures of the year.
